We do not have responsibility with copywright of this book.

Danny loves Alaska, but it doesn't seem to love him back. The full Wolf Moon sparkles over Fairbanks, but he's alone for those long nights. He wants to come out of the closet and date, but his frail family might implode. All he wants is the right man in his bed.

Brandon and Justin are lovers and wolf shifters native to Alaska. They're out to protect their way of life, and sometimes that means extreme measures. When Danny's brother proposes aerial wolf hunting, Danny enters their sights. Danny was the closet case in high school, and now, he'll be their sex toy. The shifter pair is ready to do whatever it takes to stop the hunting and maybe add a sexy human man to their pack.
