The best thing about being a closet slut is surprising people; even the ones you've spent nights with before. Because it's one thing to shock someone the first time you hook up with them but it's quite another to show them another side of yourself after being with them multiple times. Tonight I'm with Chris and I'm going to surprise him with just how rough I like my men to be with me.

Adults only! 18 and over only!
