Berlin, 1945: The allies unleashed the second world war hero Maximian upon the German supersoldier Masterman. Maximian's defeat was only kept secret by the nuclear bomb which destroyed both men. Forty-plus years later, and twenty years after a generation of '60s British superpowered heroes came and went, the teenage pop star Zenith is the only superhuman left and his only interest in women, drugs, alcohol and fame.

So when he is contacted about the threat from the many-angled ones and the impending destruction of our world, his first reaction is to steer well clear. But the superhumans of the past have other plans...
